Member Benefits

IRA members are part of a worldwide organization that provides outstanding professional development and supports excellent teaching, critical research, and promotion of the lifetime reading habit.

Members will have access to leading journals, professional development opportunities and will be able to keep up to date on the latest IRA news and happenings. Members

will also receive members
only savings on IRA
resources. .

Journals

IRA's award-winning journals
offer evidence-based practices

Non-members

Even if you're not a member,
you can still access some
information on the website. The
website offers printable
brochures, links to Common
Core Standards, and parent
resources including a list of
books that children like.

Overall Impression

This website has a ton of
information that would be
useful to a teacher and a
parent. The website has
several tabs on the left hand

for your classroom, reports of the latest research, and ideas and reflections on education from around the world.

You can find the following journals on the website:

- *The Reading Teacher*
- *Reading Research Quarterly*
- *Journal of Adolescent and Adult Literacy*
- *Reading Online*

side of the page that make it very easy to navigate. I think the Resource tab is very helpful. It offers lesson plans and reading lists. The membership fee is reasonable and if you sign up for 3 years, you get a discount!
